A big, expensive river cleanup may sound like a good idea. But it isn't.

The Willamette River is the lifeblood for Oregonians but it is also the home to many, many businesses and jobs on our working waterfront. The shipyards and docks have really defined who we are as a city, Port-Land.

Thank you for taking time to read my comments. I wish you luck on finishing a plan that supports our economy and cleans the river.

Sincerely,
